This Portico plan is situated up near the front of the development with close access to the community clubhouse, swimming pool, and fitness center. A view of the pond behind the home is visible from the living room, kitchen, master bedroom, and private courtyard patio! Inside this home you will find several options and features including a deluxe kitchen with cabinetry and appliance upgrades, lighting and plumbing fixture packages, and a stunning stone fireplace. This home also features the popular upper level "Bonus Suite" which provides a living room, bedroom, and full bathroom! This home is designed for aging in place with zero entry at the front and garage door. The Home Owners association maintains the yard, snow removal, clubhouse facility, swimming pool, and fitness center. A true "staycation" lifestyle awaits!
