Priced BELOW market value! This like-new 2023 split level townhome offers nearly 1,900 sq ft of finished living space and a rare opportunity for instant equity. The open-concept main level features a large kitchen, clean modern finishes, and high vaulted ceilings for an open, airy feel. The primary suite includes an oversized walk-in closet and an ensuite with dual vanity sinks and an updated glass shower. The walkout finished lower level adds a third bedroom, full bathroom, laundry, and flexible living space. Designed for low-maintenance living while offering the space and layout of a single-family home, additional highlights include an attached two-car garage, private patio/balcony, and America's Smart Home® technology. Move-in ready and priced to sell! Don't miss out on this one! \*Virtual Staging in Photos...
