Caliber brought luxury living to downtown Des Moines' northern gateway with CITYVIEW 34, an upscale brownstone community development of 49 units for sale. Located just south of I-235 on Keo Way, CITYVIEW 34 was designed to take full advantage of the close proximity to the metropolitan amenities and impeccable views the city has to offer.

Traditional-inspired architecture – a modern brownstone with a spacious, contemporary floor plan that includes 2 bedrooms, 2.5 baths, ample storage, and a 2-car attached garage, speaks to urban living revival. Upscale finishes throughout, each 3-story brownstone boasts expansive windows and a third-floor balcony that extends the living space outdoors – providing views true to its name.
